Dear Parents/Carers

I am delighted to report that **Cardinal Pole Catholic School** has been shortlisted for the **second year running** in the Times Education Supplement (TES) Awards in the category of **Secondary School of the Year**. The Tes Schools Awards recognises the very best teachers and schools from the UK state and independents, including early years settings, primary and secondary. We have got down to the last 8 out of just under 3,500 secondary schools nationally.

To achieve this for the second-year running is a tremendous affirmation of the work of our school community and we should all be very proud. **I want to thank all parents** for your continued support of the school.

In other news, examinations continue during the next two weeks and after half term for our Year 11 & 13 students and we continue to provide them with drop down sessions prior to each examination as well as Saturday revision classes. We wish them well. I will be here in person to oversee selected Year 11 English students for interventions this Saturday morning, so please ensure your daughter/son is on time.

Please see below some important key dates for your information:-
